# International MID-TERM Conference of Geriatrics-2024

IMCG-2024

This Conference provides a wonderful opportunity for Health Care Professionals to learn and exchange Knowledge from experts in the field of Geriatrics.

It also offers an excellent platform for researchers, to share their research findings to encourage further research in the field of geriatrics.

It offers a chance for Health Care Professionals to expand their network, a crucial aspect for Geriatrics, which remains a relatively nascent specialty in India.

## Inviting You all

Dear Colleagues / Friends,

Greetings from Geriatric Society of India & Department of Community Medicine and Department of General Medicine, Sri Siddhartha Medical College, Tumkur. It is a great honour and privilege to invite you for our International Geriatrics Conference 2024 which will take place in our Campus on 19th & 20th April 2024.

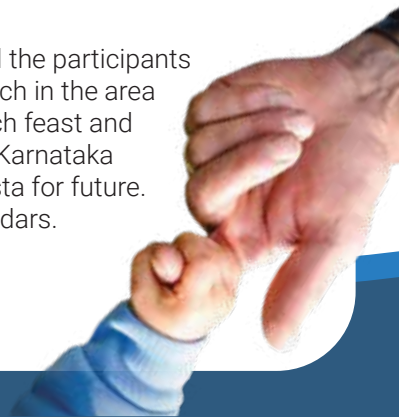

**The Conference focusses on the theme “Healthy Ageing”.**

The conference is an effort to create a platform for budding doctors to showcase their innovation, to change and learn from the pioneers, who lead the change in the system.

We are inviting Faculties and experts in the Health care Profession, postgraduate and undergraduate students to take part in various scientific sessions like Poster and Oral paper presentation, case presentation and to share the knowledge gained from their innovative work.

On behalf of Organizing Committee, we cordially invite all the participants who are interested in sharing their knowledge and research in the area of Geriatric Medicine for this great academic and research feast and look forward to welcoming you all to Educational hub of Karnataka, Kalpaturu Nadu “TUMAKURU”. Become a part of our fiesta for future. Register at the earliest and block the dates on your calendars.

Warm Regards  
Organising Committee

# ABOUT US

Sri Siddhartha Medical College (SSMC) and Hospital, Tumkur was established in 1988 under the aegis of the Sri Siddhartha Educational Society, with the aim of developing and nurturing quality medical professionals committed to excellence in health care and social welfare.

Nestled in a 250-acre green campus, spread over 75,000 sqmts, the college today evolved into a renowned hub of higher education and health care in India under SSAHE. This prestigious campus is just an hour's drive (76kms) from Bengaluru city, situated off Bengaluru – Honnavar National Highway. The medical college team comprises of a dedicated team of faculty members who are equipped to coach their wards in both clinical and academic aspects with the vision of **“Entrancing Education to Reach the Unreached”**

Geriatric Society of India: Geriatric Society of India is a Non-governmental Organization which includes a specialist medical association of doctors. Geriatric Society of India (GSI) has been a campaigner in this field for last three decades. It attempts to update its fellow members about the latest practices on geriatric care. It will certainly improve our own healthcare services & establish clear directions in meeting those Important challenges in the years to come.
